## Hi Producer!

Drama  
36X45min (TBC)

HMZR company wants to create a new cultural variety show called Inheritance and invites the best crew to join. However, right before the principal shooting, a new female director, Yu Zaizao, is assigned to this project and she overturns the whole plan of the program. While everyone is questioning her ability, the first episode achieves great success. The team members start changing their attitude towards Zaizao and yet she seems holding back something from everyone. More challenges are coming and Zaizao will not take failure as a result.

## Gone with the Rain

Drama  
40X45min (TBC)

Since the young emperor ascends to the throne, his uncle, Lord Mingde, and the prime minister, Wu Lang, take over the control of the country secretly. People suffer from their tyranny. Moxi grows up in her uncle's family and she is not welcomed in this family, but she survives with her strong personalities. She also makes good friend with her cousin, Bai Fengyao, who is a well-educated lady. These two girls support each other and accidentally discover the secret treasure of the deceased empress. They also meet two brave young generals who are determined to save the emperor and the country.
