Reunion: The Sound of Providence

Action, Adventure
45min*32epi

A decade has passed since the now-famous "iron triangle" tomb raiders Wu Xie (Zhu Yi Long), Wang Pang Zi (Chen Ming Hao), and Zhang Qi Ling (Huang Jun Jie) went on their last tomb-raiding mission at the heart of the South China Sea.

Ten years later, the friends have gone their own ways and think they have turned their backs on tomb raiding forever.

The hardened Wu Xie has been struggling to recover from a debilitating lung-related illness. But when he receives a mysterious text from his adventure-loving third uncle, he decides to call upon the help of the two other members of the iron triangle to investigate.

What they discover is a whole new world full of danger, intrigue, supernatural forces, scheming villains, and fearsome beasts – all of which could pose an existential threat to the whole world.

The gang isn't getting any younger, but can they start up where they left off all those years ago to complete this – their most dangerous mission yet?

Liu Sang and Li Jia Le were dispatched by Wu Shan Ju to participate in an archaeological project. The two saw a mural at the archaeological site. The mural recorded the story of Moonbend Princess Qi Xia and young Jiang Wu. At the same time, they also found a peculiar meteorite. In the process of studying the meteorite jade, the two unexpectedly came to the world recorded in the mural.
