GOGOBUS

Edutainment, Family
10 Seasons - 26eps x 13mins/season

Based on social-emotional learning theory, the crafted series revolves around Gordon the AI school bus that can transform into five different vehicles to help children focus on the task at hand, understand their emotions and be a robot guardian to protect kids' safety.

The show won the 2022 Rising Star Property Award at the 15th China International Licensing Expo.

GG Bond: Kung Fu Pork Choppers

Action, Adventure
4 Seasons - 26eps x 13mins/season

The show follow a team of five young superhero pigs and their super-powered Splaximal pets, who transform from the cutest creatures ever into mega-sized fighting machines with ultra-animal attributes. The Kung Fu Pork Choppers travel through space and time - and even to other dimensions - in their action-packed quest to right wrongs, keep the peace and defeat evil everywhere.

Nominated for the Best 3D Animated Programme at the 2022 Asian Television Awards (ATA).
