Our Times

TV Series
44*45

Through nine different stories, it tells the great changes in China after entering the new era. The girls learning traditional dance used modern technology to move the stage in the ancient paintings. Clean water and green mountains are telling the yearning for the new countryside. The rise of China's scientific and technological power. The soccer dream of Xinjiang teenagers reflects the new picture of national unity. Under the "One Belt, One Road" initiative, new photovoltaic energy lights up the night sky of the Egyptian desert.

Flight to You

TV Series
40*45

Due to the restructuring of Star Airlines, the female Cargo Captain Cheng Xiao with a cool and unruly personality, was transferred to the Passenger Transport Department. However, she was completely denied by the rigorous Flight Manager Gu Nanting, who claimed that she was not qualified to be an excellent captain! Suddenly she was demoted to the lowest-level observer in the company and had to start from scratch. Confronted with the doubts of Gu Nanting and other crew members, she was determined to prove herself! In the face of various crisis emergencies such as grounded investigations, accidental injuries, and oppression of authority, she gradually developed his working capacity by overcoming all the obstacles. Besides, she unconsciously fell in love with Gu. She tackled the career crisis step by step, and she touched Gu's heart bit by bit. Finally Cheng turned into a more excellent and experienced female captain of the passenger plane, and got married with Gu Nanting.
