## Light Chaser Rescue

TV Series  
45minutes\*40episodes

A devastating earthquake has occurred in Xichuan. Lawyer Luo Ben has gone to the disaster-stricken area to look for his younger sister Luo Yuan. It's there that he comes into contact with the rescue unit under the leadership of Captain Qing Shan. Luo Ben also encounters Zhan Yan with whom he's had bad blood with in the past. However, he soon changes his mind about her as he comes to admire her selflessness and brilliance as a doctor. Luo Ben bears witness to the people's sense of camaraderie in the face of adversity and becomes deeply inspired by the volunteer efforts. Luo Ben along with Xiong Fei, Zhou Ming Ming and Ding Ding Ding are the new recruits to the team. They survive Captain Qing Shan's "training from hell" and put their lives on the line in every rescue and disaster relief operation that pits them against earthquakes, fires, floods and typhoons. At the end of the day, they finally grow into an elite rescue unit.

## A Romance of The Little Forest

TV Series  
45minutes\*35episodes

The botany professor Zhuang Yu, who is focusing only on research and does not care for fame, money, or love, unconsciously hurts the girl Yu Meiren's feeling towards him during their college time.

Years later, Yu Meiren graduates with doctorate in ornithology with honors. Because she does not want to bear the pressure of scientific research, she changes her career and becomes a fashion blogger. She accidentally forms a terrible relationship with Zhuang Yu again.

Zhuang Yu goes to Qingshui Village to conduct field research, and happens to accommodate in Yu Meiren's homestay. With the help of Yu Meiren, Zhuang Yu's scientific research progresses smoothly. Meanwhile, he also feels the love and warmth from Yu Meiren that plants cannot give. Yu Meiren is also inspired and encouraged by Zhuang Yu's dedication to academics, and is determined to take responsibility and use what she has learned to contribute to her hometown.

Although the two have different starting points, because of the same ideal of contributing to their motherland and hometown, they walk ahead hand in hand with love.
