

Hangzhou 1905 Culture Media Co., Ltd.

Hangzhou 1905 is a third-tier subsidiary of China Movie Channel Production Center (CMC) , whose business involves TV program production, film distribution, film and TV project planning, copyright, etc. We exclusively represent the overseas rights of thousands of Chinese movies. The film has been released in the United States, France, Germany, Japan, Korea, Vietnam, India, etc. We look forward to working with companies interested in Chinese movies.

CMC is a massive media organization directly subordinate to the State Administration of Press, Publication, Radio, Film and Television of People's Republic of China (SAPPRFT). Established in 1995, its services cover a wide range of areas, including TV broadcasting, film production, print media and new media. CMC launched the flagship channel CCTV-6 movie channel on January 1, 1996. It is the only national channel specializing in films reaching over 1.09 billion people. CMC also expanded into pay TV with China Home Cinema (CHC) platform that has more than 2.8 million users. CMC currently possesses domestic TV telecast rights to more than 95% of all Chinese movies, and overseas TV telecast rights of more than 8,000 Chinese movies. CMC has established strategic relationship with all major international content suppliers, and have imported more than 3,000 titles over the last decade.

As the subsidiary of CMC, 1905.com is one of the top film websites in China. Daily page view amounts to over 8 million, along with the film viewing amounts to over 3 million every day.

Noodles Rhapsody Season 1

Documentary
20 minutes x 12 episode

Focusing on the most common ingredients that people come into contact with every day, season 1 - 'Noodles Rhapsody' carefully selected twelve kinds of noodles with different characteristics from twelve cities. Through "noodles are the most healing food in the world" to showcase the diverse food culture and rich regional culture of China. The twelve regions noodles are composed of Peking noodles, Hangzhou Pian Er Chuan, Wuhan dry noodles, Fujian Satay noodles, Guangzhou Wonton noodles, Shaanxi biangbiang noodles, Shanxi sliced noodles and so on.

The Pioneer Series

Action / History Film
90 minutes x 5 episode

Zhang Qian, who was trapped in the Xiongnu for ten years, went to the Western Regions to contact Da Yuezhi in order to complete the mission assigned by Emperor Wu of the Han Dynasty, and formed a strategy to jointly defend against the Xiongnu. In order to escape, Zhang Qian was actively preparing. On the way back, he encountered one bizarre story after another.
