

**SHANGHAI LEFT POCKET ANIMATION STUDIO Ltd.**

Left Pocket Studio was founded in 2012 and has become one of the leading animation companies in China. We focus on original content creation, including animated series, feature films, short films, comics for kids and young adults with 10-years of collaboration experience with Disney UK, Disney China, and co-worked with UK scriptwriters, Distributors, and Spanish Production Partner. To be a storyteller from the bottom of our heart always be our mission for entertaining the kids and family.

Emmy&GooRoo, The Winner of Mipjunior International Pitch is our first original animated series created and produced in China. The Show has been aired on YLE, VPRO, DISCOVERY KIDS (EMEA), bejunior, Pakapaka, CJENM, MOLA TV, ASTRO ON demand, CCTV, Viu6, etc., We are always keen to create the shows for kids not just limited in local markets, with our mission to bring pure joy to kids and Teens & Young Adults.
