Growing Up with Tiantian, The New Stories

Animation
13 mins X 26 episodes

The series tells the story of a six-year-old girl's new life in contemporary China after her parents move from the city to the countryside. The protagonist Tiantian meets new kids in the village, and she gradually becomes cheerful and kind. She also learns how to take care of small animals and how to be responsible. Guided by her parents, she gradually grows up to be a wise, capable and assertive girl.

Growing Up with Tiantian, Seasons 1-4

Animation
13 mins X 52 episodes

An ordinary family of three that lived in a big city decided to return to nature and experience the rural life since the child is afraid of going to school. When getting along with friends, neighbors and animals, there are endless awkward situations, and of course, tears and laughter. Tiantian, our six-year-old heroine, who is full of love and curiosity for the world, becomes healthy, independent and confident in the beautiful countryside. This is a story of a young couple and their child overcoming difficulties, discovering the beauty of nature, understanding about family and life, and most importantly, growing up together.
