

# MEGAMEDIA

浙江华麦网络技术有限公司

Zhejiang Huamai Network Technology Co.,Ltd.

Established in March 2014, MEGAMEDIA ([www.megamai.com](http://www.megamai.com)) is China's first cross-border trading platform for digital content. It has been committed to building itself into a platform for international cultural transmission and transaction with high quality, multifunction and scalability, where global video and audio in both Chinese and English are available in a synchronized way. It offers professional online and offline services for media professionals, producers, distributors, TV stations, new media and other enterprises and institutions in the same industry.
